*Endorsement from Jeremy Conrad:*

**"Jeff and Sue, owners of Talega Day Spa, have been kind enough to allow me to be a strategic partner with them in their business. I cannot recommend their services enough. Not only have my family and friends enjoyed the wonderful spa services and amenities, but so have I. The spa experience has helped me relax and recover from the daily stresses in my own life! I look forward to my regular spa "fix" and enjoy referring other people to Talega Day Spa."**

*Endorsement from Jeff and Sue, owners of Talega Day Spa:*

**"The Conrad family business has been around since 1963 in San Clemente. That alone stands for long-term stability and knowledge of San Clemente. Then there's Jeremy Conrad. He's not like any other real estate professional. When you meet him you immediately notice that he exerts an aura of confidence, knowledge, and authenticity not found in our many years of real estate experiences. Jeremy has become our real estate 'counselor,' guiding us in purchase, rental, and financing moves that have proven to be prudent, especially in these unsettled times. Jeremy is very easy going, sensitive person who just happens to work in real estate. We think that is a rare quality."**
